## TOUGHBOOK L1

### STYLISH, RUGGED AND CONFIGURABLE WITH PROFESSIONAL GRADE FEATURES AND ENTERPRISE CAPABILITIES

The Panasonic TOUGHBOOK® L1 is a slim and sleek Android OS based 7" tablet that proudly carries the TOUGHBOOK name. Its ability to be used in the enterprise to collect information from workers in retail stores, warehouses field service, transportation and delivery or many other environments where work must occur belies its mild looking exterior. The TOUGHBOOK L1 has a quad-core processor and optional straight-shooting barcode reader from portrait to landscape, use a stylus pen or connect to multi-carrier 4G LTE and provide the ease of use of the Android OS. This tablet's users won't miss a beat with its great battery life, glove and rain touch enabled 7" screen, 5 foot drop rating and IP65 and IP67 certification. The TOUGHBOOK L1 is ready to be used by satisfied end-users everywhere in your organization.

- Android™ 8.1 (Oreo)
- Qualcomm® MSM8909 1.1GHz Quad-Core
- 7" high definition 1280 x 720
- 2 GB RAM and 16 GB flash storage
- Optional integrated straight-shooting 1D/2D barcode reader configurable for landscape or portrait modes
- Optional multi-carrier 4G LTE data support
- Available with Panasonic P.180 for seamless global connectivity
- Designed to meet MIL-STD 810G
- IP65 and IP67 sealed all-weather design
- User-replaceable battery with warm-swap function
- Approx. 12 hours based on standard enterprise user profile
- Loud volume mono speakers
- 1 Year warranty (Battery warranty 90 days) as standard and optional 3 years warranty

## PROFESSIONAL SERVICES

If you're a mobile worker in a demanding profession, workdays can be hectic, to say the least. It's often just you and your mobile computer on the front lines, wherever the job takes you. You need to know that you'll always have the tools you need to do your job.

Thousands of organizations choose Panasonic for their employees who work in unforgiving environments. We've been making rock-solid mobile computing products for over 20 years and are constantly pushing rugged computing forward. Toughbook family of computers boast industry-leading low product-failure rates. So it's no wonder we've become the longest-running rugged computer supplier for the U.S. government, law enforcement, and public safety agencies. But even with the toughest tools, work life can be a bit unpredictable. Make sure your workers can always depend on their Toughbook devices by augmenting them with Panasonic ProServices—planning, deployment, security, repair, and replacement services that support your IT and field staffs.

Our Standard Warranty protects your TOUGHBOOK L1 from manufacturing defects for one year. It provides lifetime access to our U.S.-based technical support hotline (which has average hold times less than 1 minute); online access to drivers, first-aid disks, BIOS updates, tools, utilities, and manuals; free overnight delivery of customer-replaceable parts and repaired units (85% of repairs are completed within just 48 hours); and access to Panasonic field service personnel.

Panasonic recognizes that one size does not fit all and each customer has a unique set of skills and needs. As such, Panasonic ProServices can offer each customer the right solution to best suit their particular situation. Here are some of the most popular items, but please contact your Panasonic representative or go to the ProServices website for more services and information.
